REMARKS

This reverse French job for NIC/GPF was a tough one with a short fuse. We don't have the military expertise to do military material into French, so TSS asked for help from the DDO. DDO/AF put us onto [redacted], a retiree on contract with DDO/IAD.

[redacted] ELAD/WEP, did the basic translation while [redacted] contributed several afternoons of proofreading and suggestions to complete the project. [redacted] was selected because she handles the French military and S&T account and is familiar with the terminology. [redacted] was asked to help because of the size of the job (68 pp) and his skills as a senior French linguist.

Major General Edward B. Atkeson, USA
 National Intelligence Officer for
 General Purpose Forces

General Atkeson,

This is to acknowledge, with thanks,
 your memorandum of 29 November 1982 in
 which you expressed appreciation to FBIS
 for translation support. I was gratified
 to know that the effort of our French
 linguists provided information you needed
 for the NATO briefing, in terms of both
 quality and timeliness. Your comments
 have been conveyed to those officers who
 were involved in the project.
